

Institutes of Quality[®]

Atención de calidad más sencilla.

A veces, una cirugía es la mejor opción para su salud. Pero toda cirugía implica cierto nivel de riesgo, por lo que es importante buscar centros médicos reconocidos por brindar atención de calidad. Hemos simplificado el proceso.

Como miembro, tiene una red especial de hospitales y otros centros médicos que se especializan en ciertos procedimientos:

- Cardíacos (para el corazón)
- Ortopédicos (para las articulaciones y la columna)
- De cirugía bariátrica (para bajar de peso)

A estos centros médicos los llamamos nuestros Institutes of Quality (IOQ, para abreviar). Los centros médicos obtienen el estado de IOQ al tener grandes volúmenes y producir resultados clínicos claros en su área de especialidad. Esto proporciona valor y calidad a los miembros para que puedan volver a vivir la vida.

Los requisitos de IOQ se crearon al trabajar con expertos en estas afecciones. Puede visitar <https://www.aetna.com/individuals-families/member-rights-resources/commitment-quality/institutes-of-quality.html> para revisar estos requisitos.

Notas especiales

Es posible que necesite una autorización previa para estos servicios. Visite <https://www.aetna.com/health-care-professionals/clinical-policy-bulletins/medical-clinical-policy-bulletins.html> para ver nuestros Boletines de política clínica.

No todos los servicios de los Institutes of Quality están cubiertos por todos los planes médicos. Inicie sesión o regístrese ahora en at https://www.aetna.com/dsepublic/#/contentPage?page=providerSearchLanding&site_id=docfind para averiguar si un centro médico es un proveedor de la red en su plan.

Es posible que algunos de los Institutes of Quality no tengan médicos que tengan un contrato con Aetna, lo que significa que es posible que tenga costos adicionales si usa esos centros. Llame al número que figura en su tarjeta de identificación para recibir más información.
