Changes coming to your plan's pharmacy drug lists

There will be changes to the **Aetna Health Exchange Plan-Illinois** drug list that applies to your plan starting on **April 1, 2023**. It's important that you review the changes in the chart below. Talk to your health care provider about how these changes might impact you.

What if I need a prescription drug that requires a medical exception?

You or your prescriber can request a medical exception to the changes in this letter. If you would like to ask for an exception, talk with your prescriber. Or, you can call us at the toll-free number on your Member ID card.

We'll contact you and your prescriber with our decision. If we approve your exception, you will pay your plan copay or cost-share. But first you must meet any deductible or out-of-pocket requirements of your pharmacy plan.

How to find a preferred medicine that's right for you

You can visit the website that's shown on your member ID card. Then log in to your account. To better understand how your plan's pharmacy benefits work, call us at the number on your member ID card.

The changes made to the prescription drugs in this chart are from the plan information we have for you. It is current as of the date of this letter.
