Your plan may not cover certain drugs to treat conditions such as infertility, erectile dysfunction and weight loss.

Health benefits and health insurance plans are offered, administered and/or underwritten by Aetna Health Inc., Aetna Health Insurance Company of New York, Aetna Health Assurance Pennsylvania Inc., Aetna Health Insurance company and/or Aetna Life Insurance Company (Aetna). In Florida, by Aetna Health Inc. and/or Aetna Life Insurance Company. In Utah and Wyoming by Aetna Health of Utah Inc. and Aetna Life Insurance Company. In Maryland, by Aetna Health Inc., 151 Farmington Avenue, Hartford, CT 06156. Pharmacy benefits are administered by an affiliated pharmacy benefit manager, CVS Caremark. Aetna® is part of the CVS Health® family of companies.

Not all health services are covered. See plan documents for a complete description of benefits, exclusions, limitations and conditions of coverage. To check coverage and copay information for a specific medicine, log into your member website. For questions, please call the toll-free number on the back of your member ID card.

Information is subject to change. In accordance with state law or insurer policies, changes to drug coverage are not effective for commercial fully insured plans (including HMOs) in Louisiana, New York, Texas, and in most circumstances Connecticut and Vermont, until the plans' renewal date.

This document contains trademarks or registered trademarks of CVS Pharmacy, Inc. or one of its affiliates; it may also contain references to products that are trademarks or registered trademarks of entities not affiliated with CVS Health.
