

Disclosure of a Financial Interest in the Sale of Health Insurance Policies

New Jersey law (N.J.S.A. 17:22A-41.1) requires disclosure of the compensation a licensed agent or broker (producer) receives from your purchase or renewal of health coverage. Compensation may be in the form of a commission, fee(s), or possibly other valuable consideration, or a combination of all three.

The per employee dollar amount(s) or percentage(s) of premium are in the table below. All amounts and/or percentages are additive. If something does not apply, it is marked "None" or "NA". If there is compensation, whether or not in addition to the compensation shown, whose amount cannot be determined, enter "CBD" (cannot be determined) on the appropriate line. Use the "Other" line for all other compensation, whether or not the amount is determinable.
