Medical Release

I request the Department of Managed Health Care (DMHC) to make a decision about my problem with my health plan. I request the DMHC to review my Cancellation of Health Care Coverage Grievance Form to determine if my grievance qualifies for the DMHC’s Consumer Complaint process. I allow my providers, past and present, and my plan to release my medical records and information to review this issue. These records may include medical, mental health, substance abuse, HIV, diagnostic imaging reports, and other records related to my grievance. These records may also include non-medical records and any other information related to my grievance. I allow the DMHC to review these records and information and send them to my plan. My permission will end one year from the date below, except as allowed by law. For example, the law allows the DMHC to continue to use my information internally.

I can end my permission sooner if I wish. All the information that I have provided on this sheet is true.
